The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Ordinance on final hearing establishing a no parking anytime restriction on the west side of North Andalucia Drive from one block north of Cerrado Circle to one block south of Cerrado Circle. Ward 8.

Background:

Kim Rice has submitted a request for a no parking anytime restriction on the west side of North Andalucia Drive opposite the limits of "Park Central" within Section 1 of the Valencia II Addition.

The Commission considered and forwarded a recommendation to the City Council to approve a no parking anytime restriction on the east side of North Andalucia Drive across the frontage of the common area park (now known as "Park Central") at its meeting on April 15, 2013 (Item IV-B).

The applicant has provided a support letter from the Valencia Homeowners Association, which is the only entity in addition with property having direct access to the west side of North Andalucia Drive within the requested parking restriction limits. There are two residences whose rear property lines abut North Andalucia Drive south of Cerrado Circle within the requested parking restriction limits. A wood stockade fence with bricked columns separates these properties from North Andalucia Drive. Since neither residence has access to North Andalucia Drive, both are unaffected by the requested parking restriction.

At their regular meeting on December 16, 2024, the Oklahoma City Traffic and Transportation Commission voted in favor of the requested change and recommended it for approval by the City Council.

Cost:

Four signs shall be installed by City staff at a total cost of \$267.04.
