Item No. XI. L

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Ordinance on final hearing establishing 2-hour time-limited parking on the west side of North Broadway Avenue from North Broadway Circle to NW 12th Street. Ward 6.

Background:

Caleb Morgan, P.E., with Johnson and Associates, LLC, on behalf of their client, Midtown Renaissance, a REHCO Company, has submitted a request for a 2-hour time-limited parking control to regulate existing parallel parking spaces on the north side of North Broadway Circle from North Broadway Place to North Broadway Avenue; on the south side of NW 11th Street from North Broadway Place to North Broadway Avenue; and on the west side of North Broadway Avenue from North Broadway Circle to NW 12th Street.

The letter from the applicant states Midtown Renaissance seeks to expand the limits of the current time-limited parking control to encourage parking space turnover to support development in the area.

The requested parking control only changes the duration any of the existing parking spaces may be used. It does not result in any physical alterations to any of the parking spaces nor does it increase or decrease the number of parking spaces.

At their regular meeting on December 16, 2024, the Oklahoma City Traffic and Transportation Commission voted in favor of the requested change and recommended it for approval by the City Council.

Cost:

Ten signs shall be installed by City staff at a total cost of \$667.60.

Source of Funds:

General Fund, General Operations, Public Works Department/Traffic Management, Personnel Services and Supplies (1001-33005XX- 51000001 and 53000001)
