Wards 6 and 7.

### **Location:**

In and around the area commonly known as Downtown Oklahoma City, including Automobile Alley, Bricktown, City Center, Deep Deuce, Midtown, and West Village.

### **Purpose:**

The assessment roll for the Downtown Business Improvement District (Downtown BID) assesses property owners within an approximately 1.5-square-mile area of downtown Oklahoma City for the purpose of funding services and improvements that include, without limitation, streetscape beautification, maintenance services, marketing, security, event management, economic development, special amenities maintenance such as the Underground Pedestrian Tunnel System and the Bricktown Canal, and sub-district specific services. The assessment roll contains both residential and commercial properties that fall within the Downtown BID's boundaries.

The third generation of the Downtown BID was established on August 18, 2020, for a 10-year period. Year 2026-2027 will be the seventh year of the Downtown BID's third generation. The Downtown BID's budget for Year 2026-2027 is \$4,490,180.00 and includes carryover and administrative fees. The total assessment roll for Year 2026-2027 is \$4,474,917.99.

The attached ordinance establishes the time and terms of payment of the assessments, fixes a 10% penalty to be charged for delinquent payments, and provides for the filing of a lien with the County Clerk against each parcel or tract of land for which the assessment is not paid.

Financial Impact Report**

**Title of Item:** Assessment Roll for Downtown Business Improvement District

**Originating Department:** Finance Department – Economic Development

**Description of Impact**

Property owners within approximately 1.5 miles of downtown Oklahoma City will be assessed for the purpose of funding improvements including, but not limited to: streetscape beautification, maintenance services, marketing, security, event management, economic development, special amenities maintenance such as the Underground Pedestrian Tunnel System and the Bricktown Canal, and sub-district specific services.

This will be Year 7 for the third generation Downtown BID ending September 30, 2030, and the total assessment is \$4,474,917.99, including administrative fees. The method of assessment for BID-wide services is based on a formula consisting of annual assessed values (obtained from the Oklahoma County Tax Assessor's office) and linear street frontage. Rates are assessed for street level maintenance for identified areas within the Downtown BID (2B is the Broadway corridor north of 4<sup>th</sup> Street, 2C is West of the railroad right-of-way and east of Classen, Shartel, and a line 100 feet west of Hudson, 2E is Bricktown east of the railroad right-of-way, 2F includes the roundabouts along Classen Drive). Linear lot frontages are assessed for the Underground Pedestrian Tunnel System and Bricktown Canal, and a mix of assessed values and linear lot frontages are used for sub-district specific funds in Automobile Alley, Bricktown, and Midtown.

Amy K. Simpson, City Clerk  
200 N Walker Ave, 2<sup>nd</sup> Floor  
Oklahoma City, OK 73102

Dear Amy K. Simpson, City Clerk:

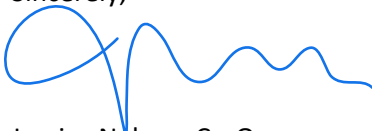

Thank you for sending the Notice of Hearing regarding the Downtown Business Improvement District (BID). I am unable to attend the public hearing on September 29<sup>th</sup> but hope that you will share this letter on my behalf to the City Council.

My husband, C. Brett, and I bought the property at 408 NW 6<sup>th</sup> St in December 2019 and have received City of Oklahoma City Improvement and Special Services Assessments each year since then. We understand that the fees levied are used to beautify streetscape, maintain certain assets and amenities, as well as promote and manage economic development of the BID. Unfortunately, due to our property location (on the perimeter with no streetscaping) and the nature of our business (which prefers anonymity of physical address), we have struggled to find adequate value in the services offered.

We have exchanged multiple messages and held on-site meetings with Phi Nguyen, Stephanie Pierce, Green Team members, etc. to try to realize benefits from BID assessment services, but it seems that our particular business goals and property location does not align with much of the program's offerings. There have been multiple instances where we have requested trash clean-up, unhoused support services and defacement/graffiti removal; but were met with explanations that those services (especially if not "street facing") were not covered by the BID assessment. Our BID contacts (Phi, Stephanie) have been very helpful in providing alternate City resources for our requests, but again the BID benefits of promotion and streetscaping have not been helpful for our business which promises clients secure storage and privacy.

Last year our BID assessment topped out at \$1,413.05, which is simply too high for the lack of services provided to our particular location and business. I appreciate receiving Notice of Hearing and having this opportunity to explain our situation in these BID assessment matters. Given the above reasoning, I respectfully request for our property at 408 NW 6<sup>th</sup> St to be removed from the assessment roll.

Sincerely,

Jessica Nelson, Co-Owner
