Re: Downtown Review Committee

Dear Mayor Cornett:

I read with interest recently about efforts to establish a Downtown Review Committee and that you are seeking members. I'm very interested in helping with this committee if you're still looking! Our office is in downtown Oklahoma City and I've been responsible for many projects in the area including the Oklahoma City Museum of Art. I've attached a resume to provide additional information. Please call if you have any questions.

Sincerely,

Allen L. Brown, AIA, NCARB

Allen Brown, AIA
PRINCIPAL

Allen Brown is the principal in charge of design and manager of Allen Brown Architects, LLC, an architecture and planning firm centrally located in downtown Oklahoma City. He has over 28 years of professional experience, has been a licensed architect since 1981 and founded the firm in 1999.

Over the years, Mr. Brown has served as President, Treasurer and Director of the American Institute of Architects, Central Oklahoma Chapter, and as Treasurer of the Oklahoma Council of Architects, the Oklahoma Foundation for Architecture and ARCPAC, Oklahoma Architects' Political Action Committee. In the past, he co-authored the "Supplementary Education Handbook" for the AIA Press in Washington, D.C.

Mr. Brown was an initial member of the City of Oklahoma City Bricktown Urban Design Commission and is a member of Leadership Oklahoma City, Class XII. He is currently President of Edgemere Park Preservation, Inc. and has served as Vice President of the Dale Rogers Training Center and President of the Oklahoma State University Alumni Association, Oklahoma County Chapter. For a number of years, Allen was a member of the Board of Directors for Central Oklahoma Habitat for Humanity and the Oklahoma City Housing Services Redevelopment Corporation.

Previously, as Principal-in-Charge of Design and Planning for Locke Wright Pruitt & Brown, he was responsible for diversifying and expanding the firm's clients and capabilities. As Director of Design and Marketing for Frankfurt Short Bruza, Mr. Brown designed a wide variety of projects many of which have received design awards.
