RE: Trails Advisory Committee

Dear Mayor:

I have been a member of the Trails Advisory Committee for many years. After much thought the time has come for me tender my resignation in hopes that you will appoint another citizen of Oklahoma City with more energy and time to spend in trying to improve the Trails of Oklahoma City.

I thank you for the appointment and confidence in me over the past 3 terms. I wish the Trails Advisory Committee much success in the future in making the Trails of Oklahoma City a safe place to recreate and to further ones health and well being.

Thank you again.

Sincerely,

 Trails User At-Large
