

Mayor Holt,

Thank you for your continued support and leadership of our magical city. I love following you and remain in awe of how you manage this demanding role. Your beautiful family is beloved by our city as well!

I am following up on a previous note to you. Tom and I have had good news lately, and have a pending contract on our home that is due to close in December. We put it on the market in late October, and the second family to see it made a nice offer. Happily we are in the sales process versus the arduous staging process! However, now the move process accelerates!! The new owners are moving from Houston; are water people, and were delighted to find a home on a nice lake where they can paddleboard, fish and kayak. They are younger, active, and I am sure they will be a great asset to the growing young professional population in OKC. Also, the stairs in our home will not be a problem for these youngsters!

We now have fingers and toes crossed that the inspections and final items go as smoothly as things have so far.

If it is acceptable to you, this email will serve as my official letter of resignation from the Metropolitan Library Commission effective December 1st. During my twelve years of service, I had a wonderful opportunity to represent Oklahoma City and served for three years as the National Secretary for United for Libraries; a division of the American Library Association. This was a lifetime opportunity for which I will always be grateful.

I also want to commend the Metropolitan Library System and staff. They are so dedicated to each and every resident of our county, and our tax dollars are extremely well managed. We are the envy of many cities, and our library system is one that is highly respected at a national level.

Thank you so very much for the opportunity to be a part of something really good. I will remain active in other areas of service, and if we ever buy a second home downtown, you will be the first to know!

Thank you and all the best wishes to you,

Cindy Friedemann, M.Ed., Executive Officer
